INTERNATIONAL  
SCIENTIFIC-PRACTICAL  
CONFERENCE

**«Science, Education, Society:  
Realia, Challenges,  
Perspectives»**

**May 16-17, 2019**

**Vinnytsia  
Ukraine**

**Dear colleagues,**

We invite you to take part in the work of the International Scientific-Practical Conference

**«Science, Education, Society: Realia, Challenges, Perspectives»**

**Aim of the conference:** discussion by scientists and practical specialists of current issues of development of socio-humanitarian science and education in the modern world as well as of current aspects of return of professional potential of socio-behavioral sciences to the educational process at universities.

**The Conference will take place** on May 16-17, 2019 in Vinnytsia (Ukraine) (GPS coordinates: 49.224257, 28.426776)

The program of the Conference will be published on the website of Vasyl' Stus Donetsk National University not later than May 1, 2019.

After the Conference, a Conference collection of abstracts will be drafted and an electronic copy will be sent to the participants and uploaded to the Repositorium of Vasyl' Stus Donetsk National University in a form of an electronic publication.

In the course of the Conference we offer the discussion of various problematic topics in socio-humanitarian sciences by professors of higher education institutions.

The key, but not exclusive, fields of deliberations at the Conference are the following:

– economic, psychological and political dimensions of social development in the 21<sup>st</sup> century;

– behavioral-managerial aspects of economic, psychological and political activity in modern conditions;

– innovative practices of sociopolitical interaction;

– innovations in the fields of education and economy;

– rethinking the role of a University and of socio-behavioral sciences in the formation of a modern specialist in the context of the European Higher Education Area;

It is planned to hold round tables dedicated to the deliberation of the following topics:

“How to Return Science to the University?” and “What kind of a Specialist does the Market Require?”

It is also planned to conduct topical master-classes.
